Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Tuesday 22 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells on Tuesday, cloudy and damp in west later.

Today:
Dry and bright across much of the country with good spells of sunshine. Cloud will thicken across the west and northwest with patchy rain and drizzle. Winds freshening around the west coast.

Tonight:
Rain spreading inland in the west, mainly a dry and bright evening in the east but clouding over later with a few showers here too.

Wednesday:
Rain and drizzle mainly affecting the north and west. Bright and warm in the east but feeling a bit humid here. Patchy rain also spreading east by evening.

Outlook for Thursday to Saturday:
Rain spreading south on Thursday, although parts of the south and east having a pleasant day before it arrives. A brighter and fresher day on Friday and Saturday.
